

Aplastic Anemia & Myelodysplasia
ASSOCIATION OF CANADA
ASSOCIATION CANADIENNE
de l'anémie aplasique et de la myélodysplasie

Join the *Aplastic Anemia and Myelodysplasia Association of Canada (AAMAC)* for an opportunity to learn more about **Aplastic Anemia (AA), Myelodysplasia (MDS), & PNH.**

Please join us on Saturday, September 30th in Vancouver for Patient Education Day

Patient Education Day is AAMAC's annual patient conference. This day is a great opportunity to attend seminars facilitated by healthcare professionals to receive leading-edge information on AA, MDS & PNH. You will also have the opportunity to network with other patients and connect with resources.

Seminars include:

MDS - New Treatments & General Overview - Dr. M. Dolorme

Blood 101 - Dr. Karen Dalas, Head of Hematopathology & Transfusion Medicine at St. Paul's Hospital

AA & PNH - New Treatments & General Overview - Dr. T. Nevill, BC

Vancouver General Hospital

Living with MDS, AA & PNH

Also Included:

Panel Discussion

Patients Discussing their Experiences, Successes & Living well with Bone Marrow Failure

MDS Nurse Education Session

Travel cost bursaries are available. Limited to one patient and one support person per family.

To register, please complete the registration form on the flipside of this page and email to info@aamac.ca
