

Aplastic Anemia & Myelodysplasia Association of Canada

is pleased to present an MDS and N Nurse Education Session

This is an opportunity to learn more about
Myelodysplasia (MDS)

WHAT: This presentation will provide information about Bone Marrow Failure Diseases: including MDS, AA and PNH

WHY: To provide education to nurses in an effort to support them in providing quality care to MDS patients.

WHEN: Saturday, October 13th, 2018
Time: 12:00—13:00

WHERE: Ottawa Conference Centre,
200 Coventry Road,
Ottawa, ON

Presenter: Lauren Cosolo, RN, BScN, MN, Advanced Practice Nurse,
Sunnybrook Health Sciences Centre, Toronto

The presentation will include:

- Information on AA, MDS, PNH and bone marrow failure diseases.
- A chance to network with other nurses.
- Lunch will be provided free of charge.
